Subject: Wilcox Press Release for EPA review

Katrina,
Please let me know if you have any comments before I sent to Skylar.

Just to share, I just noticed that you all picked a Wednesday to hold the meeting. We always try really hard not to hold meetings on Wednesdays because it is Church night in Oklahoma. I hope this will be okay because we are having the meeting before 7:00. But I guess watch out to see if anyone complains and we can try not to have another Wednesday meeting in the future.

Thanks!
Amy
